

AUTOMATED SHIFT CALLOUT (ASC)

**DID
YOU
KNOW**

Q #3

A bid has closed, but I did not respond in time. Should I still bid?

A: Yes!

Open the bid and respond for the full shift or partial shift.

The bid window may have closed, but the shift may still be available if it was not filled.

All individuals are encouraged to bid for the full shift or partial shift (the hours you are available to work) even if the bid window has closed.
